### YOUTH PARLIAMENT

The students from class VI to XII participated in Youth Parliament. The students enacted their favourite leaders and portrayed the real scene of parliament session. The whole session was divided into two parts. The first part portrayed the oath ceremony of the members of parliament. They read the oath in different regional language.

The second part had a debate on the article 370. The debate was full of drama as the young ministers argued, shouted, walked out. It was quite surprising to see how much our students observe their leaders and get influenced by them.
