

DELHI PUBLIC SCHOOL MARUTI KUNJ

Workshop on Cinema in Schools

On 1st Feb 2020, Saturday, a workshop was conducted for the teachers all the wings. The workshop was a revelation for the teachers as how cinema could play a pivotal role in maintaining a good rapport among the students, teachers and parents. Small videos could actually help in learning ethical values and imbibing cultural values. If the parents understand their role in the development of a child, we would definitely have a better society.
