MOTHER'S DAY CELEBRATION WITH DPS Though the gratitude that we owe towards our mothers could not be expressed in a single day, yet it is also true that with each passing day, we forget to be vocal about how much we love them. The students of DPS MK made this day special for their mothers by doing something extraordinary. They danced, sang songs, made cards, cooked sumptuous food, pampered their mothers and surely swelled their mothers' hearts with love and pride. However the situation is, the children don't stop to exhibit their love, enthusiasm and affection. They keep spreading their positivity and overwhelming our hearts.

Food & Love – Memories with Mom!!!

Happy Mother's Day Amma!!
