

JAPANESE ACTIVITY

CLASS 7 C-D [2021-22]

Name of the activity: Notebook Cover

Objective: Japanese language learners not only learn how to read and write Hiragana but also read about different festivals of Japan. They also know about the different customs and events of each festival. The students have designed the cover of their notebook with pictures related to festivals of Japan. Some have drawn and some have used cut outs to design the cover. They have come up with innovative ideas.
