### **WORLD HEPATITIS DAY ASSEMBLY 2021-2022**

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds.

Keeping up with the same the heritage and environmental club conducted assembly on 28 July 2021. The topic of the assembly was **WORLD HEPATITIS DAY**.

The assembly commenced with the Morning Prayer which is believed to provide peace and serenity to our minds and souls followed by some information (by Khushi Madaan and Bhumika Bhardwaj) and the thought for the day (by Mahak Verma): "Take Care of Your Body It's The Only Place You Have to Live in".

Student (Pawni Madaan) made the viewers aware about the world hepatitis day with the help of article and with the thought "Prevention is better than cure" Anoushka Halder shared the precautions to prevent ourselves from Hepatitis.

The assembly concluded with a short documentary film, a quote "getting tested early= staying healthy longer" and a Thank you to the viewers with a hope that they have gained the necessary information about Hepatitis.
