INDEPENDENCE DAY ASSEMBLY

Years of struggle, decades of oppression, generations of hardships and uncountable lost lives - all these obstacles on the road of bravery and sacrifice - lead India to a life of freedom and sovereignty on the golden date -

15 AUGUST - OUR INDEPENDENCE DAY!

To honour the journey of our wonderful country, Ganga and Chenab House conducted an assembly under the guidance of our house wardens - Ms. Renu Sharma and Dr. Vijay Laxmi Kulhari.

The house captains - Ananya, Saransh, Sarthak and Tanya took up the task of organizing this assembly - a tribute to India's past.

Anushaka started the event auspiciously with a prayer. This was followed by an inspiring thought by Palash. The school choir then brightened our day with a beautiful song. Devansh and Himanshi enlightened us with two informative articles. We then welcomed Aditri for a poem which filled us with deep patriotism.

This was followed by a video made by Tanya and voiced by amazing singers from our school, highlighting India's journey from a colonial pre-independence era, to the present which offers equal freedom to all its citizens - a truly nostalgic experience.

We later witnessed an energetic dance by Shailibi, Pratyasha, Gaatha and Disha which got us into the day's patriotic spirits.

The assembly was made inspiring by our respected Principal Sir, Mr. Akhilesh Chandra Chaturvedi, whose words encouraged us to be the impactful future of our country.

We concluded the assembly with the National Anthem - which was the perfect patriotic end to this wonderful journey.

WE WISH YOU ALL A VERY HAPPY INDEPENDENCE DAY!
