

# **Vasundhara: Celebrating The Colours of The Earth**

## **REPORT**

The environment Council of Delhi Public School, Vasant Kunj organised The Inter School Environment Festival 2018, **Vasundhara**: 'Celebrating The Colours of The Earth', in their school premises on 10<sup>th</sup> August ,Friday. Events including Film Making, Essay Writing, Photography, Whizz Quiz, Poetry, Product Designing, Newspaper Modeling ,Bottle Painting and Nukkad Natak were held, which were aimed at expressing respect for planet earth through talent.

Nearly 20 schools from the NCR region participated in this event.

The event began with the registration of teams. This was followed by the auspicious lamp lighting.

Then, the participants of the competitions were sent to different venues where rules of the competitions were announced and the students proceeded for the various rounds.

Our team for the Whizz quiz comprised of Somya and Lipasa Mundha (Class X). The Product designing team comprised of Anshita (Class X) and Raj Aryan(Class XI). The Newspaper modeling children were Yashmit Bedi and Aryan Raj(Class X).

Nukkad Natak and Bottle painting teams were from DPS DLF City.

Also the Teachers, Ms Neena Sood (DLF Branch) and Prakriti Mathur (Senior Wing) accompanied the students.

Apart from all these, events like Essay Writing, Photography, Movie making were offsite events in which the entries had to be submitted latest by 24<sup>th</sup> July.

The Students were tested on the basis of their creativity, originality, accuracy, innovative ideas. relevance, aesthetic appeal, utility, fabrication and presentation skills.

Such events open windows of innovative and creative thinking and learning for students. They understand the applications of science, art, drama and literature through self-engagement and observations. The students also learn to work as a team with their mates. They get an edge over others, as they learn by doing and observations rather than just text-book reading.

Such events play an important role in developing a scientific attitude, developing reasoning and creativity and thus makes studies easier and more logical and eventually interesting.

As teacher, I wish to express my thanks to our Principal Sir, Vice Principal Ma'am and Head Master Sir for giving this wonderful opportunity.
