

CAREER COUNSELLING SESSION

Delhi Public School, Maruti Kunj organised a Seminar on 'Changing Trends in Careers, Knowledge and Skill' for Class XII students (Science + Commerce+ Humanities) on 23 October 2018. The purpose of the session was to dispel the doubts and qualms students have regarding different career paths.

The session commenced with the school Principal, Mr. Akhilesh Chandra Chaturvedi laying stress on the importance of recognising one's aptitude and skill.

The resource persons, Ms. Avnee Khosla- Vice President Shoolini University and Ms. Krishma Gupta- Business Analyst Shoolini University, enlightened the students about various graduate and post- graduate courses and careers available to them in the field of Life Sciences & Management & Liberal Arts. The students were counselled to discover their interests, aptitude and real potential. The seminar concluded with an interactive session of the students with the representatives.
