### CLEANLINESS ASSEMBLY

The students of Student Council presented a marvellous assembly on Cleanliness. The theme was decided keeping in mind the 150<sup>th</sup> year celebrations of the father of our nation - Mahatma Gandhi.

A thought was read in two languages - Tamil and English. The students read an article and motivated the students to keep their surroundings clean. They were also reminded of using the right colour of dustbin for the right disposal of garbage at the source. The principal while addressing the gathering stressed upon the inner cleanliness more than the outward one.
