

Orientation Programme on German Language

Name of the Event: Orientation Programme on German Language

DATE: 4 March 2023

CONDUCTED BY: ITL Public School

“To learn a language is to have one more window from which to look at the world.”

ITL Public School is dedicated to provide global exposure to the students and giving flight to their dreams. Germany is amongst India’s most important partners both bilaterally and in global context. Considering the fact that German is the most spoken language in Europe, ITL has introduced German language for the students of Classes V & VI . To give an insight about the benefits of learning German language, ITL took an initiative of organising an Orientation Programme for the parents.

The orientation programme was conducted in collaboration with Max Mueller Bhavan which is renowned for imparting German language courses across India. The resource person, Mr Matthias Dünnwald enlightened the parents on how learning German language would open a world of opportunities for their children. As German and English share same linguistic, it is easy for the students to learn who know English well.

The session also threw light on the fact that learning a new language gives the learner the skill to step inside the mind and context of other culture. The parents found the session quite informative.
