A Glimpse of the Event

Objectives: The students will be able to

- use the power of audio-visual medium.
- convey the message to keep their surroundings neat and clean.

"Movie Making is a miracle of Collaboration"

An Inter house Movie Making activity on the theme 'Swachh Bharat' was conducted on 19 April 2023 for the students of Class IX & XI. It was an attempt to sensitize the students to achieve the dream of **Clean India** among the youth. The students showcased their creative skills and learned different software tools available for designing and how to complete their task within the given time period. The enthused participation of the students was outstanding and invigorating. They all were excited to showcase their computer practical knowledge and hygienic sanitation practice

Parameters/ Judgement criteria

- Aesthetics of display • Creativity & Originality • Impact & Relevance to the theme
