

**ITL PUBLIC SCHOOL**  
**Pre- Primary Wing**  
**COLOUR FEST WEEK**  
**Session 2023-24**  
**Day: Monday- Friday**  
**Date: 17<sup>th</sup>- 21<sup>st</sup> March 2023**

**‘All work and no play, makes Jack a dull boy’.**

**ITL Candyfloss aims at imparting knowledge through joyful events & our young learners are no Jack or Jane. The fest took off with the celebration of different colour days like Blue Day, Red Day, Green Day etc.**

**We connected the colours with the significance of something special. The kids and staff came dressed according to the colour of the day and beautiful corners were designed for kids to get a better understanding of the same.**

**Each day, students made something related to the colour as well as something signifying the social well-being such as Eating mats with flower stamps, Bookmark portraying the necessity to save water, Tearing and Pasting on a paper electric bulb to highlight the need to save electricity, & Planted little Saplings by promising to nurture the nature with their little hands.**

**The fun-filled days also yielded a range of informative activities & experiments.**

# RED COLOUR DAY

# BLUE COLOUR DAY

# YELLOW COLOUR DAY

# GREEN COLOUR DAY
