**Pre-Primary Wing**

**World Heritage Day**

**(Session 2023-24)**

**ITL Candyfloss organised a virtual tour for the young learners on the occasion of 'World Heritage Day'. It gave an insight to the world of 7 Wonders to witness the beauty our civilization has produced and to raise awareness about protecting and preserving the valuable assets. Students made posters and an awareness rally for 'Protecting and Preserving our Heritage Sites' was taken out with full spirit in front of the parents during dispersal time.**
