

# CCD WORKSHOP (GRADE IX-X)

## (PROFILE BUILDING)

SESSION: 2023 – 24

**Name of the Workshop- Profile Building**

**Resource Person- Dr. Angana Bhattacharya**

**Date- 18th April 2023**

**Duration- 1 hour**

**Venue- School Auditorium**

### **Content-**

The workshop started with the introduction of profile building, importance of a good profile and how to make one. With the help of PPT the speaker showed some ideas or activities like – (Skill development, internship program, tie young Entrepreneurship program and many other) which students can add in their profile.

Many of the different websites were also suggested like (w3schools.com, code.org). Students were also encouraged to take part in community service. Some example of a good profile was also shown to them.

The workshop ended with the question-answer session where the doubts of students related to coding, start-ups, social work and about fashion were solved.
