Sitting in the coveted public gallery of the Lok Sabha, ITLeens had the privilege of observing Parliamentary proceedings in action from a proximity. Witnessing eminent ministers like Mr. Rajnath Singh, Ms. Smriti Irani, Mr. Piyush Goyal, Mr. Kiren Rijiju, Mr. Farooq Abdullah, and others, debate and discuss on policy making was an awe inspiring moment for them.

Students had the wonderful opportunity to meet and interact with the Hon'ble Speaker of Lok Sabha, Mr. Om Birla. Students were truly mesmerized by the humility and dynamism of Ms. Smriti Irani, Mr. Gautam Gambhir, Mr. Derek O' Brien, Mr. Parvesh Singh Saheb, among others. The honourable Members of Parliament talked at length with the students & happily obliged them by answering their queries and hearing out their ideas on democracy.

Students had the rare opportunity of meeting and connecting with several prominent MPs in the Central Hall of the Parliament. Enthralled by the captivating architecture and the power and dynamism that engulfed the premises of the Parliament, students had a guided tour of the Offices, Library, and Gardens of the prestigious Sansad Bhawan.

By the end of the day, students were truly inspired and motivated by our leaders, to contribute and do their bit for the country. A special thanks to Ms. Smriti Zubin Irani and Mr. Parvesh Singh Sahib, who went out of their ways to make this trip a memorable one for the students and leave a positive lasting impression on young minds!
