<b>Organised By</b>	<b>:</b>	<b>Assembly Incharges</b>

ITL Public School welcomed the students to the new session 2023-24 with full enthusiasm. An assembly was organized on the theme “Accelerating Sustainability in Youth”. It commenced with the soul touching & endearing prayer song, “Teri Hai Zameen Tear Aasman...” which set the tone for the assembly while offering gratitude to the Almighty.

The assembly was organized in the form of a radio show to welcome them in a cheerful manner. The RJs Ms. Rabia and Ms. Divya welcomed the students exuberantly and talked about the delight shared equally by students and teachers on the re-opening of the schools. The guest for the day, Ms. Neha Wahi, a career guidance expert & psychologist enlightened the students with her motivational stories. This was followed by a melodious song ‘Ruk Na Tu Bandyaa...’ motivating students to look at each new day as a new opportunity. Furthermore, the students also expressed their thoughts on being in school. A motivational story from FOLKLORE was shared with them by Ms.Ruchi & Ms. Monika that inspired them to always be hopeful and forge ahead in life despite criticism, followed by the song ‘Baadal Pe Paav Hain...’. Assembly was carried forward with the news update by Ms. Mridula and an expert session by Ms. Priyanka on G-20, which not only enthralled one and all but also brought to the fore the importance of the role that youth of our country can play in making the world a more sustainable place. On this hopeful and forward looking note the RJs signed off for the day wishing good luck for the new session.
