

SUMMER BREAK

CLASS – II

(2023-24)

Dear students

It's time for the summer break, a time to explore and a time to learn in different ways. Let's use these holidays to pursue some hobbies and apply our minds creatively to learn new things and bring a change in the environment, in our own individual ways.

TOPIC – INTERNATIONAL YEAR OF MILLETS

The year 2023 is declared as the “International Year of Millets” by UN.

Taking a cue from this, utilize your holidays to learn about these superfoods (millets).

Millets are coarse grains that are traditionally grown and consumed in the Indian subcontinent for over 5000 years. They have high nutritional value and are rich in proteins, vitamins, minerals and fibres.

Activity 1 :- ‘Know the Millet- Embrace good health’

Choose any one week of your vacation to celebrate the ‘Millets Week’ at home. Throughout the week, create a recipe, each using millets as key ingredient, with the help of your parents.

For each meal that you concoct, click pictures and create a montage of the dishes you enjoyed.

For e.g. – Ragi Pancakes.

Activity 2 :- Table Mat on “Healthy Superfoods”

Design a table mat on an A4 size sheet coloured sheet on the topic ‘Healthy Superfoods’. Paste the pictures of any two millets on either side and write their name. Get it laminated. It will be used as a table mat in school.

Activity 3:- ‘My Mini Theatre’

Prepare your own mini theatre by using materials like shoe box, card board box, ice cream sticks etc. with the help of your parents and narrate your favourite story to the entire class when you come to school after holidays.

For reference

‘My Mini Theatre’

How to make a ‘Mini Theatre’.

- **Measure and mark out a rectangular window on the bottom of the shoebox and cut out using a card board cutter.**
- **Mark out and cut 4 thin strips on the top long edge of the shoebox using the craft knife. These should be slightly longer than the window cut out in step 1 and slightly wider than the wooden sticks.**
- **Cut a piece of cardboard to fit inside the shoebox and form the stage. Cut two small pieces of cardboard to form the legs for the stage so it aligns with the bottom of the rectangular window. Score two slots on the bottom of the stage piece and glue the two legs in place. Insert the stage into the shoebox.**
- **Cut a piece of blue card to fit the inside of the lid of the shoebox and glue into place. Cut hills from green card, clouds from white card and a sun from yellow card and glue into place on the inside lid to make the background scenery.**
- **Cut out two curtain shapes from red card and glue into place against the rectangular window.**
- **Cut strips of coloured card to fit around the rectangular window and glue into place.**
- **Draw the characters for the theatre on pieces of white card, colour in and cut out. Stick these to the bottoms of the wooden sticks with sticky tape. You could also print out characters and glue these to white card before cutting out.**
- **Insert the characters through the slots on the top of the shoebox and you’re ready to start the show!**

Activity 4 :- ‘जाने मोटे अनाजों को’

मोटे अनाज हमारे स्वास्थ्य के लिए बहुत ही ज़रूरी एवं लाभदायक हैं।
इन्हीं मोटे अनाजों को जानने के लिए किन्हीं चार अनाजों के नाम
लिखकर चित्र चिपकाएँ तथा उनके दो विशेषण लिखिए (रंग, आकार
आदि)।

संकेत बिंदु - ए 3 आकार कागज़, चित्र

अनाज का नाम	चित्र	विशेषण - 1	विशेषण - 2
गेहूँ		भूरा	अंडाकार

Activity 5 :- ‘Recapitulate Tables’

Lets create this game to revise tables. The game should be made Roll no. wise as given below.

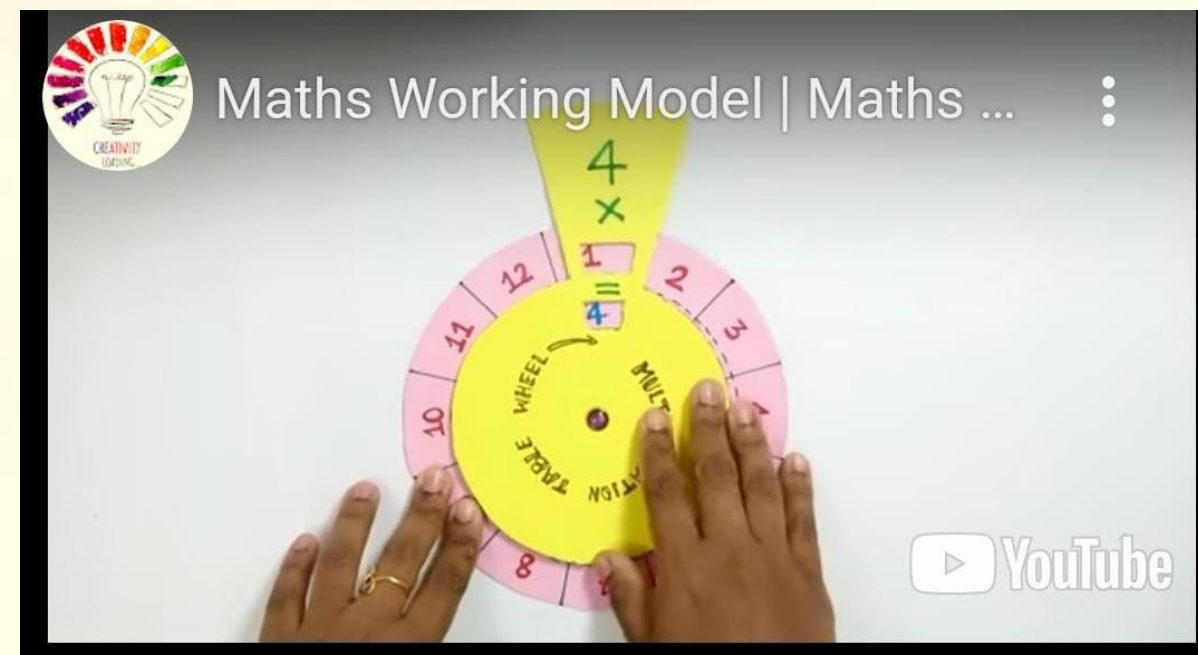

<https://www.youtube.com/watch?v=0kMVLEgxPCU>

Roll No. 1 to 10 – Table of 2

Roll No. 11 to 20 – Table of 3

Roll No. 21 to 30 – Table of 4

Roll No. 31 onwards – Table of 5

Activity 6 :- ‘ My Number Grid ’

In order to enhance the mathematical skills of students and enable them to practice the concepts of before, after , addition etc. in the coming months, write the numbers from 1-100 on a coloured A-4 sheet (size 10 by 10 inches) as shown in the figure given below and get it laminated.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Computer

Task 1: Create digital drawings (shapes / real life scenes) using Paint, Tux Paint or any drawing-painting software.

Link to download Tux Paint (an open source Software)

<http://www.tuxpaint.org/download/>

Task 2: (A) Download the Android application: “Easy Drawing” from the playstore and share three e-drawings. Using the following link for the App:

<https://play.google.com/store/apps/details?id=drawing.lessons.sketch.how.to.draw.portrait&pli=1>

OR

Download the application: “**Colouring Your- Children**” from the AppStore and share three e-drawings. Using the following link for the App:

<https://apps.apple.com/in/app/colouring-your-children/id1090514042?mt=12>

Task 2: (B) Create digital collages representing “**Technology & Health**”

Note: Share your three drawings in PDF or JPEG files at computerassignments1to3@svisgdelhi.com with your name, class, and section in the subject line.

Here are a few **FUN TIME PRACTICE SHEETS** for revision of the topics covered, from your Learning Series booklet part I. Complete them. Write your name and place them neatly in a folder.

English – Page No. 18,20 ,21 and 22

Hindi- Page No. 51, 52, 58 and 59

Maths- Page No. 64, 68, 70 and 84

General Awareness - Page No. 110, 111 and 112

Weekend Task

Perform weekend tasks given in school almanac on page 20 and make a table calendar of pictures while performing them and also record them in School Almanac page no.21 .

Reading Time

Reading is dreaming with open eyes !!

Pick up few story books and enjoy reading them. You can also read e- books from <https://storyweaver.org.in> in any language.

Record the books you read in your School Almanac page no. 45.

Date	Title of the Book	Author	Remarks

To enjoy co curricular activities during vacations... here are a few links for your reference.
