"Every museum is a place of education, inspiration, and cultural exchange. It is a window to the past, a mirror to the present, and a bridge to the future."

Students of ITL Public School had the opportunity to visit the first-ever International Museum Expo held at Pragati Maidan in New Delhi. The event was organized by the Union Ministry of Culture under the Azadi ka Amrit Mahotsav initiative, with the aim of fostering a comprehensive dialogue on museums and their role as cultural centers in India's cultural diplomacy.

The expo was inaugurated by the Hon'ble Prime Minister, Shri Narendra Modi, and attracted participants from various states, showcasing their rich cultural heritage and artifacts. The students were exposed to a diverse range of exhibits, including historical artifacts, art installations, and interactive displays. They gained insights into different cultures, traditions, and historical events through guided tours and interactive sessions with museum curators and experts.

The visit provided the students with a unique opportunity to broaden their understanding of global cultures and the significance of museums in preserving and promoting cultural heritage.
