

Mother's Day

Date	:	12 May 2023
Venue	:	Respective Classrooms
Organised By	:	ITL Public School
Conducted By	:	III-V students

“There is no love as pure, unconditional and strong as a mother's love.”.

Mother's Day is a celebration honouring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society.' Of all the bonds we share during our lifetime, the most special one is the one that we have with our mothers! A mother selflessly fulfils all our desires and cares for us tirelessly. “Mother's Day”, a day especially dedicated to cherish motherhood was celebrated with great elation at ITL Public School on 12 May 2023.

To make the day more special, mothers were invited to be a part of the colourful celebration. The students of Classes III-V presented a small cultural programme, thanking their mothers for always being with them. They recited a poem praising their mothers for their selflessness and contribution in their upbringing. The performance of the students was exotic, joyful and enthusiastic rendering everyone spellbound with the high level of true emotions giving tears in each eye.

Students also dedicated a dance to showcase the eternal love for their mother. The heartfelt and stellar performances of the students was a moment of reckoning for the mothers to introspect on the immense influence and pivotal role they play in a child's life.

Over all it was an enjoyable and memorable day for each and every child which left an indubitable mark on the innocent hearts.
