

Report on Joygoan

The school had organized an educational as well as adventure trip for the students of Grade Ankur and Pallav to Joygoan Adventure Park on 30th Nov 22. The students received a warm welcome at the camp. Later the students were taken for various adventurous and thrilling activities like tyre bridge, bamboo bridge, mini zoo, mirror maze, followed by camel, bullock and tractor rides. Students relished the scrumptious buffet. They also enjoyed Puppet show and magic show.

Such educational outings not only foster self-reliance, physical fitness and compassion for others in the children but also act as a supplement to the academic curriculum of the school. Student had a joyful experience with unforgettable memories.
