

## ITL OBSERVES INTERNATIONAL PLASTIC BAG FREE DAY

1.	Title of the activity	Heal The Planet - Reduce and Reuse
2.	Date of the activity	3 July, 2023
3.	Organized by	ITL Public School
4.	Participated by	Students of Classes VI-VIII
5.	Facilitators	Coordinators
6.	SDGs Incorporated	SDG 3 Good Health and Well Being  
7.	Description of the activity	<p><i>'Heal the planet, ensure a green sustainable future'</i></p> <p>International plastic bag free day is observed every year on 3rd July to raise awareness about the harmful impacts of single-use plastic bags on the environment. Today, let's join hands to make a significant impact on our environment. It's time to say NO to single-use plastic bags and YES to a greener future!</p> <p>In order to make students aware of the hazardous effects of plastic bags, a plethora of activities were conducted in classes VI to VIII.</p> <p><b>Class VI: Caring to Cure</b></p> <p>Students made decorative flowers reusing plastic bags.</p> <p><b>Class VII: Protect the Planet from Plastic</b></p> <p>Students made an illustrative poster on the harmful effects of plastic on animals.</p> <p><b>Class VIII: Reuse to Reduce</b></p> <p>Students used their creativity and made beautiful plastic mats by reusing old plastic bags.</p> <p>It was a fun-filled day as the students engaged in these experiential activities &amp; learned new ways to adopt a sustainable &amp; healthy living.</p> <p>Remember, every small action counts! Join the movement today and let's make a difference together!</p> <p>#PlasticFree            #SustainableLiving            #GoGreen            #ProtectOurPlanet            #TogetherWeCan            #SayNoToPlasticBags</p>
