

## Workshop for making Whimsical Pots (Skill Week)

Date- 12 July 2023

Conducted by- Class I

**Art is a line around your thoughts, trust your creativity**

ITL Public school observed Skill week from 12<sup>th</sup> July -21<sup>st</sup> July. Pottery activity at our school was a creative and engaging experience for the students of class-I. Under the guidance of our instructor **Ms. Saumya Radhakrishnan** students learned the art of shaping household things into unique forms. They explored various techniques, such as molding, sculpting, painting and glazing. This activity had fostered their imagination and encouraged artistic expression. Students enthusiastically crafted beautiful pottery pieces, showcasing their talent and craftsmanship. This hands-on experience not only developed their artistic skills but also instilled a sense of pride and accomplishment.
