

ITL CONDUCTS WORKSHOP ON BLUE POTTERY PAINTING

1.	Title of the activity	Blue Pottery Painting on ceramic mugs & bowls.
2.	Date of the activity	19 July 2023
3.	Organized by	ITL Public School
4.	Participated by	Students of Classes VI
5.	Facilitators	Coordinators
6.	SDGs Incorporated	SDG 4 Quality Education 
7.	Description of the activity	<p>""The future belongs to those who learn more skills and combine them in creative ways.""</p> <p>In accordance with the vision highlighted in NEP 2020, ITL Public School enthusiastically moves ahead with its 10 Bagless Days on July 19th, 2023 as students unleash creativity and innovation by taking part in ' Blue Pottery Painting ' workshop under the able guidance of Ms. Lekha Malhotra, who is an Art & Craft professional and certified by Fevicyrl Pidilite Industries Ltd.</p> <p>The session showcased the designs created on ceramic mugs and bowls using the shades of blue. The platform also provided a powerful proposition to being certain with hues and patterns set together to create vibrant and striking piece of art. The workshop was indeed a great initiative to let children explore vividly and allow visions to create intricate designs.</p> <p>#TransformativeEducation</p> <p>#BaglessDays</p> <p>#HappySchool</p>
