

INTER-SCHOOL FEST 2023

An Inter-School Science fest 'SCIENTASTIC' was held on 28th July 2023 at New Era Public School, Mayapuri.

Garima Singh participated in 'Science Bola'-The Scientific Tambola event wherein she achieved 1st position. It was an individual activity wherein each participant was provided with Science Bola slips. The questions were randomly selected by the computer & the participant had to mark the correct response as per the question in their Science bola slips. The student with maximum correct responses won the competition.

It was fruitful & a learning experience to participate in the event. It gave an opportunity to evaluate the scientific aptitude & the concept knowledge.
