**Book Name: Fluffy and Me**

**Author's Name: Anita Krishnan**

This book is an account of the author's life and the time she spent with her cute Lahasa Apso named "Fluffy". This book starts with a glimpse of the author's childhood. In this book we read about the author's life alone in the hills and the drastic changes in her life after Fluffy's entrance. We also read about Fluffy's mischievous deeds and their after affects on her life. Then we also read about the author's teenage life and how Fluffy turns out to be a lifesaver at times. We then read in the last few chapters about Fluffy's old age, his demise and how the author's family reacts to it. This book is a must for readers of all ages and genres. While reading one will be so attached to the story that till the ending you will feel being a part of that experience. The best part is that the story is easy to understand because of the easy language used in it.
