“Photography is the art of making memories tangible.” – Destin Sparks

An Inter House Photography Competition on the theme "Urban Life" was organized by MBS International School for the students of Class IX .The activity aimed to encourage young photographers to explore and capture the essence of urban living through their lenses. It provided a platform for students to showcase their creativity, observation, and perspective on the bustling and diverse aspects of urban environments. Students from Class IX enthusiastically participated in the competition. Their submissions reflected a diverse range of interpretations and angles related to urban life.

The Photography Competition provided an exceptional opportunity for Class IX students to explore and express their perspectives on the dynamic and multifaceted aspects of city living. The remarkable entries underscored the significance of art in portraying the essence of our rapidly evolving urban environments.
