

## SOCIAL SCIENCE EXHIBITION

ITL Public School organized Social Science Exhibition on 14th August 2023, as the nation soared high in spirits of Azadi Ka Amrit Mahotsav, getting ready to celebrate the 77th Independence Day of India. The ITLeens participated in full fervour, as they prepared their models to the theme of Advitiya Bharat.

Classes XI, IX and X, showcased their adeptly crafted projects that delved into various subjects within the realm of social sciences, catching attention of the audience with their fiery range of topics-The tectonic theory, unique insights into the First World War, The horrors of the Indian Partition or the mark of Indian Federalism in the form of Gram Panchayat.

Class VIII students illustrated the tangible culture of the built Indian Heritage, increasing the interest quotient by converting lessons of history into games like snakes and ladders.

Highlighting the power of women empowerment were the students of class VII who displayed the exhilarating model of Nari Shakti.

Focussing on the lush, yet medicinal flora & fauna of India, were the students of Class VI, whose exhibits served as a reminder of the therapeutic properties of Indian herbs.

The event emerged as a resounding triumph, highlighting the prowess and accomplishment of all involved.
