Dear Parents,

Greetings!

The India Space Week Association (ISWA) leads a global team of National Coordinators, who promote the celebration of the birth anniversary of great Indian Space Scientist Dr. Vikram Sarabhai. Each year, the India Space Week (ISW) selects a theme to provide focus of the activities and events that take place throughout India.

ISW 2023 theme is "Space for Education". The theme recognizes the growing significance of the educational space institute in space and the increasing opportunities for space education and new benefits of space developed by space education.
