Description/Report

“I am not a teacher but an awakener.” - Robert Frost

A transformative workshop was organized for the teachers of MBS International School on 12 September 2023 in the school auditorium on the topic ‘Innovative Teaching Methodologies’. The resource person for the workshop was Ms. Monisha Gupta who shared valuable insights and strategies to enhance teaching practices.

The workshop commenced with a warm welcome and introduction of the resource person who is a renowned expert in the field of education. Participants were encouraged to actively engage and embrace the spirit of innovation in teaching. The resource person highlighted the importance of adaptability and creativity in education. The workshop comprised interactive sessions where teachers learned about various innovative teaching approaches including multiple intelligence, Different channels of learning, gamification in education, integration of technology in education etc.

Ms. Monisha Gupta conducted an engaging question and answer session, addressing teachers' queries and concerns. This ensured that teachers left with a clear understanding of how to apply innovative methods effectively.

The workshop on innovative teaching methodology proved to be a resounding success, equipping our teachers with the knowledge and tools needed to enhance their teaching practices. It was a valuable opportunity for professional development and growth, and we are confident that these new approaches will have a positive impact on our students' learning experiences.

The workshop concluded with the vote of thanks by the Senior Co-ordinator.
