DAY & DATE: Saturday, 23 September 2023

DURATION: 10:30 am to 12:30 pm

VENUE: School Auditorium

ATTENDED BY: MBS Faculty

Objectives:

- The workshop aimed to educate participants about the importance of financial literacy and how digital tools can facilitate financial management and decision-making.

Description/Report

"Financial literacy begins the process of earning more for what you know and less for what you do." – Linsey Mills

An initiative taken by CBSE, to sensitize teachers on the basics of Financial Literacy and the use of Digital Tools that are relevant in the current scenario was discussed in MBS International School. The session focused to create awareness about basic financial planning. This helped educators stay updated to plan their future in a better way and also disseminate their learning and extracted experience with the students so that they deal with the finances vigilantly.

The session was headed by Mr. Ram Kumar Gupta. The session began by welcoming the guest speaker and the participants. Our honourable Principal, Mr. Atul Wadhawan felicitated the guest speaker. The resource person began with an introduction to financial literacy, explaining its importance in making informed

financial decisions. He emphasized concepts such as budgeting, saving, and investing. The workshop delved into various digital tools and apps available for personal and financial management. Mr. Gupta demonstrated how to use these tools effectively, including budgeting apps, investment platforms, and online banking services

The key takeaways for the teachers were:

- Investment and importance of life insurance and term plans
- How to deal with funds and finances
- Enhanced skills in budgeting, saving, and investing.
- Increased confidence in using digital tools for financial purposes.

Participants were engaged in interactive discussions, where they shared their experiences with one another. This encouraged active participation and knowledge sharing. The real-life experiences and anecdotes made the session more interesting. The teachers actively clarified their doubts and got satisfactory answers. The enrichment programme concluded with the distribution of certificates to all the participants.
