TEACHER'S DAY

Teachers' day is a special occasion, when we pay tribute to our teachers and appreciate their mountainous efforts, for nurturing our hidden potential and playing a great role in shaping our future.

ITL CANDYFLOSS celebrated Teacher's Day to honor the birth anniversary of Dr.Sarvapalli Radhakrishnan .

We organised acrostics in which each letter of the word TEACHER described the attributes of a true teacher. Music and dance performances by the students on songs such as Guru Brahma, Guru Vishnu,etc.were also the part of this celebration .

Students made greeting cards and brought flowers for their teachers to express their gratitude on this special day.
