*Being Green is more than just buying 'eco'. It is an unshakeable commitment to a sustainable lifestyle.*

On 19 Sept'23, ITL Public School celebrated Ganesh Chaturthi with lot of zeal and fervour. To mark the occasion the students of ITL Public School bow in reverence to the epitome of wisdom and remover of all hindrances -Lord Ganesha and invoke his blessings.

The sole purpose of the celebration was to let the students stay rooted with Indian culture and to enable them to understand the significance of this festival. A plethora of activities were planned for our little stars of Classes I-III, where Class I with their artistic hands crafted Face Masks of Lord Ganesha followed by eco-friendly Ganpati (with clay) formation by Class II. To add flavours to the delightful festival Class III showcased their Culinary skills by making modak.

Indeed ITL was contented with Joy, happiness and prosperity.
