The event was based on the theme **Mission Mangal Yatra: a Teachers' Expedition**. The robust and melodious beats of the school band made everyone traverse down the memory lane with a profound sense of nostalgia. An invocation dance to Lord Nataraj added a divine aesthetic aura to the occasion. The hilarious skit on the journey to Mars took everyone off their seats with peals of laughter. The play gave a reference to India's landing on Moon, with the teachers deciding to venture their next trip to Mars. The journey was full of turbulence, but somehow, the rocket successfully landed on the planet. The adorable comic relief provided by the Stand-Up Comedians Kanav Sharma and Azmat Hussain was a sweet cherry on the cake. The vibrant and vivacious dance performance comprising of a medley of popular Bollywood beats transported all to the world of fun and celebration.
