

Navy Workshop at JMIS

A Navy workshop was organized at J M International School, Dwarka on Oct.10,2023 for the students of Grades IX & X. Lt. Cdr Astha Sehgal, Lt. Cdr.Ashish, Lt. Cdr. Pathik, Mr. Ravish Kumar (POME) graced the occasion with their benign presence.

It aimed to provide valuable insights into the navy's expertise, operations and career possibilities. While addressing the students, they explained how the Indian Navy not only contributes to the security of the motherland but also safely evacuates the Indian citizens stranded during various natural calamities. The topics covered in the workshop included areas such as navigation, ship handling, Maritime environment, Naval engineering and more. Lt.Astha also highlighted the benefits of building a career in the Indian Navy. Attending a navy workshop, was a great opportunity for the students to learn and gain practical knowledge in this field.
