A Glimpse of the Event

Objectives: To enable learners to:

- make mathematics learning more interesting.
- develop the skill of strategic thinking.

An Inter House Maths Crossword Puzzle Quiz was held at MBS International School, Dwarka, New Delhi for the students of class VI on Wednesday, October 18, 2023. The main objective was to challenge students to use their skills in innovative ways. The students were divided into four groups according to their House. Every group solved two rounds of crossword puzzles. The participants were judged on the basis of completion of puzzle, accurate answers and time taken. The quiz was held to encourage students to gain general knowledge, apart from subject knowledge. Each house presented a unique piece of performance.

Judgement criteria

- Completely solved
- Accuracy
- Time
