

Sadhu Vasvani International School for Girls, Shanti Niketan in association with SPACE India is organized an Evening Rendezvous with the Sky (Space Explorers Workshop) in the school premises on 21 October 2023. The students got an opportunity to explore the inter terrestrial space and learn more about it.

The students were provided with a telescope with which they observed the moon. The students were also taught the alignment of the telescope. They were very excited to learn about the alignment.

Later on, the students were also made to observe Mars through the telescope. Each and every student learnt a lot through this wonderful experience.
