“Each new day is a blank page in the diary of your life. The secret of success is in turning that diary into the best story possible.”

The beginning of the new session is always an auspicious time. With a vision to make a better future, ITL Public School welcomed all the students to the session 2022-23 by organizing a special assembly with the theme, **Treading towards a Sustainable Tomorrow** on Friday, April 1, 2022. Morning prayer undoubtedly holds the numero uno position out of all the routine activities in a school. It was followed by the teachers brightening the whole atmosphere with their mellifluous song. The aim was to motivate the students to have new hopes and aspirations. The teachers also presented a puppet show which was thoroughly enjoyed by the students.

It was a fun filled day as the students engaged in various activities promising to have a positive attitude and maintain cordial relationship with each other. The enthusiasm and zeal filled the air with liveliness and exuberance. Hoping for a wonderful session ahead!
