It illuminates the soul. Soaking in the spirit of Christmas, the students of ITL Public School celebrated the festival on 23rd December, 2022 with extreme enthusiasm. The entire school was decorated with beautiful Christmas trees, wreaths and joysticks. Christmas is the time to celebrate the love of God and the blessings he has bestowed upon the mankind.</p> <p>The ITLeens delineated the change that came about in the world with the birth of Jesus through an entrancing dance performance that showed how the God's son changed fear into security, pride into humility and sorrow into fear. The students also showcased how festivals bring people together, the spirit of oneness that resonates in the atmosphere. The carols added to the fervour of the festival.</p> <p>The cherry on the cake was Santa who made the day for the children who looked forward to their surprise gifts from him. The principal, Dr. Sudha Acharya also interacted with the students enriching them with the true meaning of the festival and wishing them for a great year ahead.</p>
