As a man changes his own nature, so does the attitude of the world changes towards him. We need to wait to see what others do.”</i></p> <p>To commemorate the birth anniversary of the Father of The Nation and to celebrate the virtues left behind by the mahatma, <b>ITL Public School</b> organized a special assembly on <b>30<sup>th</sup> September, 2022</b>. The theme of the assembly was <b>Envisaging Sustainability Through the Gandhian Lens</b>.</p> <p>The assembly began with a euphonic medley of Gandhiji’s bhajans to pay tribute to the noble soul and to emphasize that his words will always resound in our hearts and minds. What Gandhiji achieved in his life was no less than a miracle. He lives in the hearts of millions because of the sacrifices he made for his people. His life story inspires the youth in multifarious ways. Saunak Sarkar of 9D shared one such anecdote from his life that tells us that generosity comes not with wealth that a person acquires but, with a heart that is capable of giving. On the similar lines, the students of classes VI-VIII presented a play that highlighted one of the many other virtues of Gandhiji that real strength of a human lies in his mind.</p> <p>The assembly was further made even more riveting with a mesmerizing Ted talk by Pooja Rana (XII F), who highlighted the fact that Gandhian Ideology will forever continue to guide the world. The 17 Sustainable Development Goals find a root in the ideas propounded by Mahatma Gandhi as the visionary always focused on education (SDG 4), gender equality (SDG 5) and cleanliness (SDG 6). Furthermore, the students of classes I and II won everybody’s heart with their zealous dance performance on the theme of Swachhagrah, whereby the young ITLeens pledged to keep their surroundings clean leading to a Clean and Healthy India.</p> <p>The event concluded with a vote of thanks proposed by the Vice Head Girl, ITL Public School, Hitechha Sahni.</p>
