Pre Primary Wing Of ITL PUBLIC SCHOOL

DIWALI DELIGHTS

Diwali symbolizes the victory of good over evil, light over darkness, and knowledge over ignorance. Inspired with these values, ITL Candyfloss celebrated Diwali with the little learners by conducting various interesting activities. They were also sensitized about the significance of celebrating green Diwali. Also, in order to extend and heighten the festive spirit, a few mothers were invited for the event "Diwali Craft Day" wherein they participated with great fervor. They along with our young creators designed bandanwars and rangolis, using eco-friendly materials. These especially handcrafted pieces were put up for display and sale during "The Skill Bazaar".
