Protocol and Guidelines for COVID-19

Dear Parents,

In the wake of the increasing COVID - 19 cases & guidelines received by school from C.M.O. Gautam Buddh Nagar, we would like to advise you on the following:

- Please ensure that your ward wears a mask and carries an extra mask every day.
- Your ward must carry a small bottle of sanitizer.
- In case your ward exhibits any symptom of flu, kindly avoid sending them to school.

The school has made the necessary arrangements to ensure the well-being of the children. Thermal scanners will be available at all entry/exit points. Sanitizers / soap dispensers are also placed at the strategic locations in the school premises.

Manju Verma
