REVISED CIRCULAR NO -38

Dear Parents,

Greetings!

Delhi Public School, Knowledge Park-V believes in making our students independent and grooming them for the practical world. A 'School Internship Programme' is being organised for classes IX and XI by Scholastic. This is a four-week internship programme where the students will get the following benefits:-

- Online training and guidance from industry experts
- Certificate upon completion of the programme
- A letter of recommendation for students who excel during the course
- Selected students will also be featured on social media
- Students get the exposure through the real-life experience in Retail Management, Marketing and Promotions

This programme is free of cost and the students should give their names to their respective HRTs by May 25, 2023. Shortlisted students will be informed.
