Dear Parent,

Greetings!

Inculcating reading habits in the formative years of schooling is vital to the child's development. For this, it is pertinent to encourage our children to read books in their leisure time, at every stage, in order to equip them with the necessary skills required to be successful in life.

To promote reading amongst the students **Scholastic Book Fair** has been organised for the students of classes Nursery to 8th during the school hours on May 10, 12, & 13, 2023.

Children will be able to visit the book fair with their teachers during the school hours. Parents are invited to visit this fair during the PTM, on May 13, 2023, for classes Nur to VI.
