DPSKP-V/2023-24/Circular/12

"Our continuing efforts in our everyday lives will make this beautiful planet thrive."

Leading the torch and echoing the same spirit, young learner's at Delhi Public School, K P-V are celebrating the "EARTH DAY FIESTA" to honour the theme - **Invest in our planet**. It's a great opportunity to teach enthusiastic learners about the importance of conservation and sustainability.

Here are some fun and educational Earth Day activities that the children will be doing for the whole week.

CLASS-NURSERY

Apr 24, 2023 (Monday)	The students will be first acquainted with the concept of 'Our planet - Earth' (The name of our planet).	To explain the significance of celebrating Earth Day the teachers are going to do story telling session for the students. It will be followed by short discussion on the story and pledge taking activity.
Apr 25,2023 (Tuesday)	To learn the value of cleanliness.	Student will learn not to litter and to pick up the garbage, the students will learn and have free play on 'Bits of paper' rhyme.
Apr 26,2023 (Wednesday)	Let's make the planet greener - Watering the plants activity.	Students will water the plants available in school through disposable glasses with the help of the teacher.
Apr 27,2023 (Thursday)	Dry waste and wet waste segregation activity.	Children will bring plastic bottle/dry leaves, fruit or vegetable peels etc. and learn to segregate and discard them.
April 28, 2023 (Friday)	The Earth is important and so is taking care of it and celebrating it.	Our children will indulge in craft activity and will make 'Nature warrior' badges.

CLASS-PREP

April 24, 2023 (Monday)	Story narration based on saving the Earth	The importance of natural resources along with poem recitation. An open discussion with the student will help them to enhance their understanding of the Earth Day.
Apr 25,2023 (Tuesday)	Echo Friendly Party: Be clean! Go Eco friendly	Student will bring a duster cloth and learn to keep their surroundings in the classroom clean.
Apr 26,2023- (Wednesday)	Germination Activity: Sow a Seed Scavenger Hunt Activity	Children will learn how to grow the seed into sapling through this activity. This will also help them to learn how to take care of greens around them. Children will be taken for nature walk where they will spot birds, plants, flowers and other natural resources.
Apr 27,2023 (Thursday)	Bird Feeder activity: Feed the Birds!	Children will learn to make the bird feeder out waste plastic bottles and then hang those feeders on the trees. This will teach them the importance of animals and birds around.
Apr 28, 2023 (Friday)	Craft activity - Lets make!	It is in our hands to make our world a better place for all. To celebrate the Earth Day the children will join hands together for a Craft Activity
