Dear Parent,

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents. In keeping with this thought we at Delhi Public School, Knowledge Park-V are initiating a new activity-'My Hero Programme' for the students of classes III to VI.

This programme aims at working in collaboration with the parents to impart best of experiences & life skills to our children. We will be inviting 'You' parents, to talk to your child's class mates and share real time experiences of your life, profession or any other field you are adept at and makes 'You' your child's hero. This will expose our students to newer and wider horizons of life besides making them proud of you.

This activity will be held on every 3rd Friday of the month from 08:00 am to 08:40 am. You will be free to use audio visual aids, posters, pictures etc. as per your convenience to make the session engaging.

Should you wish to be part of this activity and conduct a session for the students of your child's class, kindly submit your consent on the link given below by April 30, 2023.
