## CIRCULAR

Dear Parents,

Greetings!

GREEN Olympiad is a school-based initiative of TERI. It has since then incorporated within itself several stages of initiatives at TERI in the field of sustainability transformation to match the aspirations of the academic community to establish as an Environment Education brand. This Olympiad is designed for students of classes IV-XII. The overall objective of this initiative is to sensitize and build capacity of students on environment, sustainability, and green skills.

GREEN Olympiad examination addresses a range of topics such as water, waste, energy, air, biodiversity, climate, global warming, sustainable development, culture, green skills and current affairs pertaining to environment and sustainable development. This year, we also aspire to create a convergence with *Mission LiFE* and promote the vision of *Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India* to reach out to all parts of the country.

The paper comprises of multiple-choice questions that test students' knowledge, application and analytical skills and simultaneously spreads awareness through informative questions. There is no negative marking and students are expected to appear for a paper-based examination in the school.
