CIRCULAR

Date: June 14, 2023

DPS KP-V/2023-24/Circular/46

Dear Parent

With all-round development of students in focus and NEP 2020, we are constantly working towards a holistic approach in teaching-learning methods. Taking another step in the same direction we will be adapting a **more formative system** of assessment for grade 1.

For this assessment:

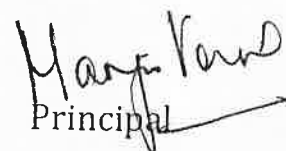

- Students will be **observed on a regular basis** via conversations, projects, class-work, visual testing, assignments, class participation, homework, practical, quizzes, oral testing, etc. so as to ensure continuous assessment.
- These formative assessments will be **purely informal**.
- Children will be assessed on different parameters like **Linguistic skills, Mathematical Skills, Conceptual understanding, Mental Math, Understanding the Environment, Practical Understanding of Environment, Subject Enrichment Activity**.
- A **Competency Based Assessment (Assignment)** twice for each subject per term will be purely objective type.

There will be no Half yearly and Final Exam for Grade 1.

In context of the above, the **report** card will also be **continuous in nature** wherein a child will not be compared to the others of his age but his / her performance will be **compared with his/ her own previous performance**.

Hope this step helps **reduce assessment related stress** among the children as well as parents.
