Dear Parents,

Greetings!

Career Counselling is a process that helps students to know and understand themselves and the professional world in order to make pragmatic life decisions. Choosing a career is more than just choosing a job. It's a psychodynamic, humanistic and behavioural process to understand what suits best to an individual when they choose a particular career for a successful and satisfying professional life.

Delhi Public School, KP-V is delighted to host a Career Counselling Workshop on 15th July 2023 for parents and students of Grades X, XI & XII and in association with the prestigious MINDLER group. Expert career counsellor, Ms. Shilpa who has more than 25 years of experience will guide through a systematic process designed to explore and identify the right professional path for the students to attain their long-term career goals.

This will be an interactive session for parents also which will provide an insight into stream and career selection prospects as well as the various courses and college possibilities which are available for different career verticals in India and abroad.

Venue: School Auditorium
Date & Time: 15th July 2023 | 9:30 to 10:30 AM
Resource Person: Ms. Shilpa (Head, Student Engagement at the MINDLER Group)
Students Group: Grades X, XI and XII

Kindly note:-

- The workshop will be followed by the Parent-Teacher meeting for Mid-Term exams in the respective classrooms.
- Attendance of the students is compulsory.
- Please give your consent by 6th July 2023 via the link which will be shared in the class groups.

Looking forward to your participation!
