CIRCULAR

Dear Parents,

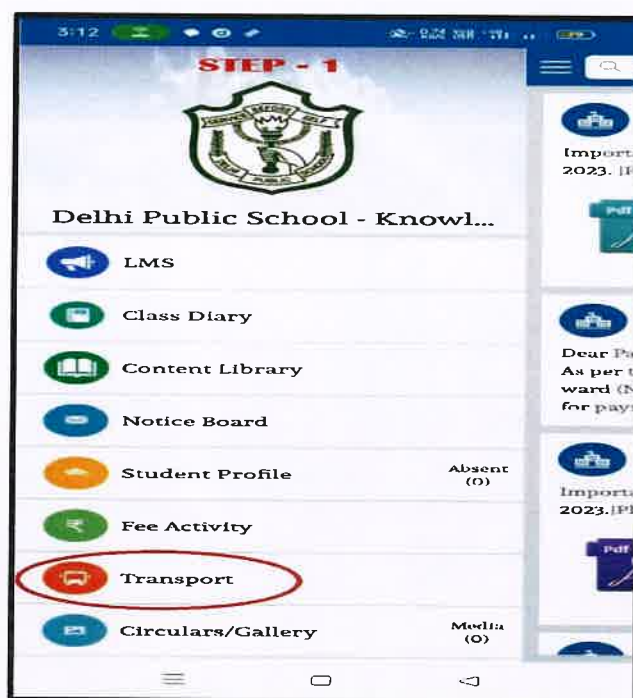

Greetings!

1. We want to apprise you that our RFID system Neverskip is now fully functional through which the location of the ward on the bus route can be easily tracked. Therefore, teachers will not be required to share the live location on Whatsapp.
2. Kindly note that along with this circular we are sharing a few simple steps to help you use the Neverskip app for tracking the bus of your ward. However, please note that sometimes due to unexpected technical errors the app may not be live temporarily. In that case, we request you to follow the timings of the bus available on the school portal and pick-up and drop your ward accordingly.
