Dear Parent,

Greetings!

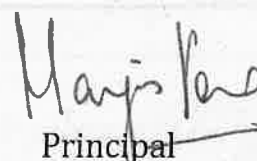

As facilitators, it is our responsibility to ensure that every student receives the necessary support and guidance to excel academically.

Every child learns at their own pace, and it is not uncommon for students to face challenges in certain areas. However, it is crucial to address these concerns promptly to prevent any further setbacks in their overall academic growth. Therefore, we strongly recommend "Reinforcement teaching" for your child to help them overcome these difficulties and enhance their skills.

We have planned reinforcement classes for students of class II in the morning beginning from 10 August 23 till 8 September 23, for which students will have to come early by the senior route. They will, however, go back at their usual time by the junior route. If your ward is a walker, you are requested to drop your child to school at 7:40 a.m. The information of the senior bus routes is available on the school website.

Kindly send your consent for the same.
